NUMB. 842

THURSDAY, MARCH 16. 1738.

9th 850.

Votes of the House of Commons of IRELAND.

Veneris 3. Die Martii, 1737.

IR Thomas Prendergast, according to Order, reported from the Committee of the whole House, to whom an engross'd Bill from the Lords, entitled, An Act to explain and amend an Act, entitled, An Act for preventing Inconveniencies that may happen by Privilege of Parliament, was committed, that they had gone through the same Paragraph by Paragraph, and agreed thereto without any Amendment.

Ordered, That the Bill be read the third Time on Monday next.

A Message from the Lords by Mr. Cuffe, and Mr. Smith, That the Lords have agreed to an engross'd Bill sent up by this House, entitled, An Act to prevent Malicious Maiming and Wounding, and to prevent carrying secret Arms, without any Amendment.

And also, That the Lords have agreed to an engross'd Bill sent up by this House, entitled, An Act for the more effectual preventing the Enlisting of his Majesty's Subjects to serve as Soldiers in foreign Service without his Majesty's Licence, without any Amendment.

Ordered, That James Hamilton, Esq; (a Member of this House) have Leave, at his own Request, to waive his Privilege in all Suits commenced or to be commenced against him by his Creditors.

Ordered, That John Hamilton, Esq; (a Member of this House) have Leave, at his own Request, to waive his Privilege in all Suits commenced or to be commenced against him by his Creditors.

A Message from the Lords by Mr. Cuffe and Mr. Smith.

THE Commons must have been surprized, otherwise, they could never have insisted on what is an uncontested Right, which has been contested at Conferences, and denied by the Lords.

If the Commons had been pleased to offer any Reasons or Authorities to shew that their Managers ought to stand within the Bar at all Conferences, the Lords would have given them their due Consideration and Weight: But whilst Assertions only are offered, the Lords cannot recede from what they have Reason to think has been the Usage.

The Commons may observe any Mistake in the Style of the Lords, which the Lords are always ready to amend, but the Commons should not inadvertently; the Term is injurious.

That the Commons do attend the Lords at Conferences, their own Votes testify.

And then the Messengers withdrew.

Resolved, That this House will return an Answer by Messengers of their own.

And the Messengers were called in again, and Mr. Speaker acquainted them, That this House will return an Answer by Messengers of their own.

Ordered, That a Committee be appointed to prepare an Answer to the Lords Message.

And a Committee was appointed accordingly, and all Members that come, are to have Voices.

Sabbati 4. Die Martii, 1737.

Mr. Flood reported from the Committee appointed to prepare an Answer to the Lords last Message, That they had prepared an Answer accordingly, which he was directed to report when the House will please to receive the same.

Ordered, That the Report be received on Monday next at Twelve a Clock, and nothing to intervene.

On Tuesday last one John Coomer, and another Man, not yet taken, rushed of a sudden (about Nine o'Clock at Night) into the Shop of Mr. Thomas Wright, a Cheesmonger at the Seven Dials, and fell so furiously upon him and his Wife, that had it not been for the Servant Maid and the Apprentice, who got the Assistance of a Constable, 'tis thought they would have murdered the Family and robbed the House, for they fell on without speaking a Word; and when brought before Col. De Veil, who committed the said Coomer to Newgate, he behaved in so audacious a Manner, that had he not been Hand-cuffed, it is probable he would have done a great deal of Mischief, and as it was, threatened his Life when ever he should be at Liberty: He proves to be a Fellow that works at the Brick Kilns; and so is his Accomplice, whose Name is James Best.

And Yesterday Edward Elsmore was also committed to Newgate by the same Gentleman, for picking the Pocket of Mr. Stephen Sutton at Drury-Lane Playhouse, where the Pick Pockets are grown so numerous, so bold, and so dangerous, that they rob with open Violence.

The only short and infallible CURE

For the HEMORRHOIDS or PILES of any

Kind, or in either Sex; and allowed so to

be by the most eminent Physicians in Europe.

IT is a pleasant ELECTUARY, which at

once infallibly cures the Piles, be they ever so bad, and

even after all other Means have failed, and that without

any Trouble, Difficulty, or the least Confinement, in the

sharpest Pain, and most miserable Torture, it gives surprising

Relief, and almost miraculous Cure.

No sooner is it taken scarcely, but all manner of Uneasiness

vanishes, as if by Incantation, and the Patient becomes

as perfectly well and free from Pain, as if no such Malady

had ever been, and this it not only accomplishes for the

present, in all Persons whatsoever, but also, by totally

subduing all Sharpness in the Blood and Juices, it certainly

prevents any Return of the Piles for the future, is in

entirely to cure that Illness, and thereby prevent Fistula,

and other direful Consequences, that cannot be too much

dreaded.

Thousands of Men and Women, who had for many Years,

more or less, been wretchedly afflicted with the Piles, have

at once been perfectly cured by this great Remedy, to their

no less Joy and Comfort than Admiration.

It is so safe, that a sucking Child might take it without In-

convenience, for it never occasions the least Trouble or Dis-

order, and is so very agreeable to take, as not to give Dislike to

the nicest Palate. Is sold only at Jacob's Coffee-house, against

the Angel and Crown Tavern in Broad-street, behind the

Royal-Exchange, at ss. a Pot, with Directions.

The most Fam'd and long Experienced Chymical Drops

For ASTHMA's and CONSUMPTIONS,

That have been Sold so many Years, and with such uncom-

mon Success and Benefit to the Publick, by Mr. Parry,

and his Predecessors, in Boar's-Head-Court, Fleet-

street; and, since Mr. Parry's Death, have been

and still are sold only by Mr. Read for 3 s. 6 d. a

Vial, at his House in White-Fryars. (N. B. The turn

in just by the Sun Tavern in Fleet-street, and it's the

great Corner House in White-Fryars; JAMES

READ, in great Letters, is wrote over the Door.)

They are a most Incomparable and never-failing Medicine

for the immediate Relief and perfect Cure of the most

confirmed ASTHMA of the longest standing:

And of all Sorts of CONSUMPTIONS, even when so

far advanced, as not to be cured by any other Medicine

in the World.

FOR their Virtues vastly exceed any

Thing that ever was published, or even known in the

whole World, in the Cure of the worst Asthma's and Consump-

tions of all Sorts, Coughs, Colds, Catarrhs, &c.

They instantly relieve the Patient in the most suffocating

Fit of an Asthma, and make a perfect Cure in a very short

Time; for they gently open the Breast, and immediately give

Liberty of Breathing, without danger of taking Cold; they

admirably allay the Tickling, which provokes frequent Cough-

ing, and take off the uneasy Sensation of acrimonious Hu-

mour, cleanse the small Glands, relax the Fibres, and thereby

enlarge the Capacities of the Vessels; thus they regularly and

quickly Cure the most obstinate Asthma of the longest standing.

They speedily and to Admiration cure all Sorts of Consump-

tions, Ulcers of the Lungs, &c. removing all Obstructions of

the Breast, and Lungs, Hoarseness, Wheezing, Soreness, Short-

ness of Breath, and all the usual Symptoms which attend the

Beginnings of a Consumption; and, if taken in time, will in-

fallibly prevent one when feared. They are also exceeding nu-

tritive and strengthening to Persons of weakly Constitutions,

and have no other sensible Operation than as mentioned above.

And by Parity of Reasoning this most excellent Medicine is

(and well known to be) the most sovereign Remedy in the

World for those troublesome spending Coughs, which many are

severely troubled with Night and Morning; and also for the

Chin Cough, and Hooping-Cough in Children, having cured

Thousands; is so agreeable, and so few Drops to a Dose, that

Children take them with Pleasure, and without any Con-

finement.

In short, these unparallel'd Chymical Drops are the most

infallible Remedy that ever was known (and therefore despite

the faint Efforts of all Counterfeits or Imitators) for the

Ailments above-mentioned, and allowed to be so by the most

Judicious amongst the Learned in Physick; and confirmed by

the largest Experience in private Practice, and are made Pub-

lick for Common Good.
